Church means a lot of different things to people. We see *church* as *family*. We often refer to ourselves as a church family. We want you to know that regardless of your background, your history, what you've been through or what you've done, you're welcome here and we're glad you're here. We believe what we focus on here is for everyone. God has shared His love and His story through His Word, what we refer to as the Bible. So, in worship, that's the centerpiece about which we speak. We believe the Bible offers answers to the questions and challenges we face each day. Most importantly, we believe the Bible shares how we can experience forgiveness and know God for all eternity.

I hope you'll fill out a Connection Card so we can stay in touch. Thanks again for being here!

Pastor Ken
